1. Introduction

1.1. The purpose of Contract Standing Orders (CSOs) is to set clear rules for the procurement of Supplies, Services and Works for the Council. Following the rules should ensure that the Council is fair and accountable in its dealings with Contractors and in the award of Contracts. CSOs are intended to ensure that the Council obtains value for money for the Council taxpayer. Value for money is defined as the optimum combination of whole life cost and quality (or fitness for purpose) to meet the end users' requirements.

1.2. The CSOs are compiled in accordance with the Procurement Reform (Scotland) Act 2014, Public Contracts (Scotland) Regulations 2015, the Procurement (Scotland) Regulations 2016, the Concession Contracts (Scotland) Regulations 2016, the Utilities Contracts (Scotland) Regulations 2016 and the Public Contracts (Scotland) Amendment Regulations 2016.

1.3. The CSOs are to be read in conjunction with the statutory guidance and policy notes as detailed below.

- [Procurement Reform \(Scotland\) Act 2014](#): statutory guidance (www.gov.scot), Guidance on procurement strategies and annual reports, the sustainable procurement duty, community benefit, tenders and award of contracts.
- Fair work and procurement – Public sector procurement – (www.gov.scot). Addressing Fair Work Practices, including the Real Living Wage, in Procurement.
- Update to procurement of care and support services: SPPN 07/2016 (www.gov.scot).
- Changes to procurement legislation at the end of the EU Exit Transition Period: SPPN 11/2020 (www.gov.scot).
- Fair Work First Implementation – Scottish Public Procurement Update: SPPN 06/2021 (www.gov.scot).
- Public Procurement – taking account of climate and circular economy considerations: SPPN 03/2022 (www.gov.scot).
- Public Procurement – updates to procurement thresholds: SPPN 05/2023 (www.gov.scot).

1.4. All Contracts that are awarded by the Council, regardless of value shall be subject to an obligation to seek best value and be able to demonstrate transparency, equal treatment, non-discrimination and proportionality.

1.5. CSOs are designed to protect the interests of the Council and protect the interests of officers involved in procurement. CSOs enable officers to act confidently for the Council in the pursuit of best value. It is the responsibility of the Chief Executive and Corporate Directors to ensure that officers within their jurisdiction or Service have a good understanding and where applicable a working knowledge of these CSOs.

1.6. Relevant UK and Scottish legislation override these CSOs only in so far as to ensure compliance with said legislative requirements.

1.7. The Corporate Director for Strategy, Performance and Business Solutions may approve guidance notes on tendering and procurement matters for Contracts awarded by the Council. Guidance notes will be compiled by the Service Manager (Procurement).

1.8. The Service Manager (Procurement) will publish a Corporate Procurement Manual to be read by officers in conjunction with the Contract Standing Orders and a control copy will be placed on the staff portal.

9.1. The financial values stated throughout these CSOs represent the total value of the Contract over its whole life and are not, for example, the estimated annual value of the Contract.

9.2. Where the Contract is for Supplies or Services, the value of the Contract shall include all options under the Contract. For example, if the Contract allows the Council to either purchase additional Supplies or Services, or to extend the Contract beyond its original term, the financial implications of these must be included in the value of the Contract, even if the likelihood of taking up these options is small.

9.3. It is not permitted to deliberately divide any procurement exercise into two or more Contracts if the intention in doing so is to avoid the application of the financial thresholds in these CSOs or the Regulations.

9.4. All financial values stated in these CSOs are exclusive of VAT unless otherwise stated,

9.5. Wherever VAT may be payable under a contract, an allowance for VAT shall be included in the calculation of the estimated value of the contract for the purposes of determining whether the contract equals or exceeds the new threshold values.

Before inviting Tenders or Quotations or recommending the acceptance of Tenders, the Chief Executive and Corporate Directors will be required to be satisfied that all necessary Council approvals are in place and sufficient budgetary provision has been made or will be made to cover the contractual commitment by the Council.

- Oppose the use of fire and rehire practices.

13. Form of Contract

13.1. Except in circumstances where the Chief Executive and Corporate Director and the Head of Legal and Governance agree otherwise, every Contract shall be:

13.2. The Contract Documents in respect of all Contracts will be prepared by the Chief Executive or Corporate Directors. When it is appropriate to do so, the Chief Executive and Corporate Directors may make use of Contract Documents prepared by the Government Procurement Service, Scottish Procurement, Scotland Excel and other framework agreement providers where permitted by those bodies to do so. It is the Chief Executive and Corporate Director's responsibility to ensure that the Contract Documents are suitable for the Contract.

13.3. All Procurement documents must clearly state that the Freedom of Information (Scotland) Act 2002 applies to Contracts awarded by the Council. This is to ensure that Contractors are aware that the Council may be required, as a matter of law, to release information to third parties.

14. Exemptions and Exceptions

14.1. Supplies, Services and Works shall be acquired by effective competition, including adequate publicity of the Contract, unless there are justifiable reasons to the contrary.

14.3.1. The Council is satisfied that there are special circumstances justifying an exception from these CSOs or any part of them;

14.3.2. In the opinion of the Chief Executive or Corporate Directors, action is urgently required to prevent danger to life, serious risk to health, or damage to property;

14.3.3. It is a Contract for the provision of health, special education and / or social care services, and where, in the opinion of the Chief Executive, Corporate Directors, Chief Officer or Chief Social Work Officer, it is considered that to undertake a competitive tendering exercise would have an adverse effect on the quality and continuity of service for service users and their relatives;

14.3.4. Where the Contract is an extension to an existing Contract and is not a Regulated Procurement, an over Threshold Procurement or an Unregulated Works Procurement (in which case see CSOs 17 and 19), and which has been identified by the Relevant Officer as necessary and being so urgent as not to permit the invitation to tenders;

14.3.5. In the opinion of the Chief Executive, Corporate Directors or Chief Officer it is essential that the Contract is entered into for the settlement of any claim or litigation raised by or against the Council;

14.3.6. The Contract is funded by money provided by the government or another public body (including funds from the National Lottery) and the award of that money to the Council is subject to such conditions that make it impractical for the Council to comply with these CSOs in the letting of the Contract.

14.4. Where exceptions are sought in respect of Contracts with a value of greater than £10,000 the Chief Executive and Corporate Directors will comply with the Non Competitive Action (NCA) procedure set out at Appendix 1.

14.5. Where an NCA procedure is used, a proportionate financial and insurance assessment shall be carried out prior to the NCA being requested.

14.6. The Corporate Director for Strategy, Performance and Business Solutions will maintain a central register of exceptions.

15. Contracts below £10,000

15.1. Where the contract value is less than £10,000 for Supplies and Services or Works, the Chief Executive, Corporate Directors and Chief Officer will proceed in a manner which they consider to be the most expedient to the efficient management of their Service whilst ensuring that the Contract represents value for money to the Council.

15.2. The Chief Executive and Corporate Directors may dispense with the need to obtain competitive quotations and instead maintain a written record of price checking or benchmarking where the value of the Contract is less than £10,000 in the case of Supplies and Services or Works.

16. All Contracts for Supplies and Services or Works having a value of £10,000 or above – Procurement Plan

16.1. Where a contract value is £10,000 or higher, the relevant Officer will ensure that a Procurement Plan is completed by the service lead and that an Officer with Delegated Authority is identified to undertake the procurement.

16.2. The Procurement Plan will describe the procurement planned and provide sufficient information to ensure that all relevant Council Policies have been followed, including the governance, identified budget, Contract Standing Orders, the Financial Regulations and the Sustainable Procurement Policy requirements.

16.3. The Relevant Officer will ensure that the Procurement Plan is authorised by the relevant Managers prior to the procurement exercise commencing. The Procurement Plan is to be submitted to the Service Manager (Procurement) in the first instance for authorisation who will forward to the relevant Head of Service or Corporate Director or Chief Officer for further approval in accordance with the values detailed at CSO 6.4 above.

17. Unregulated Procurements with a contract value of between £10,000 and £50,000 for Supplies and Services or Works

17.1. Where the value of the Contract is between £10,000 and £50,000 for Supplies and Services and Works, the Chief Executive and Corporate Directors will invite a minimum of three written quotations from prospective Contractors with the experience and expertise to meet the requirement for Supplies, Services or Works. In circumstances where fewer than three quotations are obtained a written record shall be retained as to the reasons for this.

17.2. Technical and financial checks by means of the SPD (Scotland) shall not be necessary for Contracts below £50,000, instead a selection procedure relevant and proportionate to the subject matter and value of the contract shall be incorporated into the invitation to quote documentation.

17.3. Quotations may be invited and returned by either the Quick Quote system or by an open quotation contract advertisement placed on the PCS portal or, in very exceptional circumstances, by hard copy or email.

This means that public bodies should use the European Single Procurement Document for ESIF procurements instead of the new Single Procurement Document.

18.4. E-procurement must be used as the default position for all Regulated Procurements. Where e-procurement is being used, it shall be the responsibility of the Contractor to obtain the invitation to tender through the e-procurement system.

19. Unregulated Works Procurements (Works contracts with a value of between £50,000 and £2,000,000)

19.1. Where the value of the Works Contract is between £50,000 and £2,000,000, the Chief Executive and Corporate Directors will advertise the contract in accordance with CSO 22 and invite a minimum of three tenders from pre-approved Contractors with the experience and expertise to meet the requirement for Works. In circumstances where fewer than three tenders are obtained a written record shall be retained as to the reasons for this.

19.2 The SPD is to be used in all cases for unregulated Works procurements with a contract value between £50,000 and £2,000,000, unless the Dynamic Purchasing System is utilised (see CSO Clause 32).

19.3. Unregulated procurements for works may be invited and returned by either Quick Quote system or by an Open or restricted procedure contract notice placed on the PCS portal or, in very exceptional circumstances, by hard copy or email.

19.4. The use of this procedure for unregulated procurements is permitted where the procurement is of a standard nature and is not complex as defined in clause 19.5 below.

19.5. Complex procurements are procurements which are not routinely undertaken by the Council and may have unusual technical, legal or financial requirements.

19.6. Complex procurements will be required to follow the requirements for Regulated Procurements CSO Clause(s) 18.1, 18.2, 18.3, 18.4.

20. Regulated Procurements (with a contract value at and above the Thresholds for Supplies and Services or Works)

20.1. [Route 3 Introduction | Procurement Journey](#) (or equivalent) and accompanying documentation as appropriate shall be used for all over Threshold Regulated procurement exercises.

20.2. The SPD is to be used in all cases for over Threshold Regulated Procurements.

20.3. E-procurement must be used as the default position for all WTO/GPA Regulated Procurements. Where e-procurement is being used, it shall be the responsibility of the Contractor to obtain the invitation to tender through the e-procurement system.

20.4. All contract notices for over Threshold Regulated Procurements will be passed for approval and issued by the Service Manager (Procurement).

21. Contracts for Health and Social Care Services

21.1. Where a Contract is for Health and Social Care services and is above the Health and Social Care Services Threshold, the procurement regime set out in Chapter 3 of the Public Contracts (Scotland) Regulations 2015 shall apply.

21.2. Where a Contract is for Health and Social Care Services with a value below the Health and Social Care Services Threshold, the Council may choose to award without seeking offers. However there is still a requirement to comply with the WTO/GPA principles of transparency, equal treatment, non-discrimination; proportionality and mutual recognition where relevant.

21.3. Subject to the terms of Clause(s) 21.1 and 21.2 above, where a Contract is for Health and Social Care Services and has a value below £50,000, the Council may choose to award without seeking offers.

21.4. In instances as described above where there is award of a contract without competition, a non-competitive action form must be completed and authorised by the Chief Executive prior to contract award in accordance with CSOs Clause 14 and as set out in Appendix 1.

22. Publicity of Contract Opportunities

22.1. The Council is under a duty to ensure that for each Contract that it intends to award, the Contract is given a degree of advertising which is sufficient to ensure open competition and to meet the requirements of the principles of equal treatment, non-discrimination and transparency. Contracts that are Regulated Procurements and those that exceed the Threshold must comply with the advertising requirements set out in the Regulations.

22.2. The following minimum advertising procedures will apply:

22.2.1. Contract Notice for Supplies and Services where the Contract is or above £50,000 will be uploaded on the PCS portal and advertised in the local newspaper or appropriate additional means where there is a local market for a minimum duration of one week;

22.2.4. A Contract Notice for Supplies and Services or Works where the Contract exceeds the Thresholds will be uploaded to the new Find a Tender System via the PCS Portal.

22.3. The requirement to publish notices on Public Contracts Scotland (PCS), which comes from the Procurement Reform (Scotland) Act 2014, remains. Whilst public bodies are no longer be required to publish notices in the Official Journal of the European Union (OJEU), these notices are now published on a new UK e-notification system called Find a Tender System (FTS) instead.

22.3.1. FTS has been developed to comply with international agreements such as the GPA, which requires relevant procurements in the UK to be advertised through a single point of access available free of charge. To meet this requirement to publish on FTS, public bodies should continue to use PCS.

22.4. In addition to the advertising requirements referred to in CSO 22.2, or where it is felt that insufficient interest may be generated, the Chief Executive, Corporate Directors and Chief Officer may decide to advertise the Contract opportunity in any other way.

22.5. In exceptional circumstances, for example where using market knowledge it is known that there is no capacity locally to meet the requirements of a Contract, the Chief Executive, Corporate Director or Chief Officer may dispense with the requirement to advertise in the local newspaper.

22.6. All Contract Notices published on the PCS portal will be subject to the prior approval of the Service Manager (Procurement) for over Threshold Regulated Procurements.

22.7. Contract notices advertising Contracts will include the selection and award criteria to be used to evaluate submissions for both the SPD selection stage and the award criteria stage of both Open and Restricted Procedure procurements.

22.8. Where a Contract is to be awarded following a restricted procedure or competitive procedure with negotiation, a call for competition may be made by means of a prior information notice, published in accordance with the Regulations.

23. Procedures

23.1. Where the estimated value of any Contract is likely to be equal to the value of a Regulated Procurement or exceed the Threshold, the Chief Executive and Corporate Directors or Chief Officer will be responsible for determining whether or not the Regulations apply and will refer the matter to the Service Manager (Procurement) who will provide guidance and assistance in determining the appropriate Contract award procedure.

24. Commodity Strategy

24.1. The Relevant Officer in consultation with the Service Manager (Procurement) will ensure that an appropriate Commodity Strategy is prepared for each individual Regulated Procurement and over Threshold Regulated Procurement.

24.2. The Commodity Strategy must be prepared by officers with the appropriate Delegated Authority and be proportionate to risk, value and the strategic importance of the commodity to the Organisation.

24.3. The preparation of the Commodity Strategy will ensure that proportionate consideration is given to planning, Sustainable Procurement and Risk Management prior to commencement of the procurement. See more at: [Develop Commodity/Service Strategy | Procurement Journey](#).

24.4. A Commodity Strategy is not required for mini-competitions carried out or work packages called off under Framework Agreements established by external agencies, by the Council; or for work packages placed under the Council's framework arrangements. This CSO will apply in instances where the justification to utilise these arrangements have been authorised by the Chief Executive, Corporate Directors and Chief Officer as appropriate.

For Procurements over the value of £10,000 for Supplies and Services, and for Works over the value of £50,000, Contracts shall be awarded on the basis of the Tender which is: the MEAT using both quality and cost award criteria unless there are exceptional reasons that are proportionate and related to the subject matter of the contract and always in the context overall of best value.

29.2. Where a market outwith the framework suppliers is established and where the contract value is below that of a Regulated Procurement or an over Threshold Regulated Procurement, the Chief Executive, Corporate Directors and Chief Officer will determine if the Contract should be advertised directly to the known suppliers in addition to the call off contract opportunity sourced through a Framework Agreement.

30.1. The Council may establish a Framework Agreement with either one or a minimum of three economic operators, where there are three economic operators to satisfy the selection criteria.

30.2. The Council must advertise the Contract in accordance with these CSOs, depending on the value of the Contract.

30.3. The period of such arrangements shall not exceed four years without specific justification which must be published when the requirement is advertised.

30.4. Where the Council concludes a framework agreement with more than one economic operator, a specific contract may be awarded:

31.6. Where the Contract has been established for a low value supply, service or works below £10,000 or a Contract has been established following approval of a non-competitive action and is not a Regulated Procurement, subsequent variations to that Contract should not exceed 50% of the initial value of the Contract.

33.2. Where electronic tendering is in use the contract notice will be published in accordance with CSO 22 and will provide information as to the internet address which offers unrestricted and full access by electronic means to the Contract Documents.

33.3. This CSO 33.3 shall replace CSOs 35, 36 and 37 in their entirety and where electronic tendering is in use the Relevant Officer will ensure that:

33.5. Where an extension of the deadline for the submission of Tenders has been granted in accordance with CSO 33.4, tenderers that have submitted Tenders may be given the opportunity to re-submit their Tenders. Where tenderers are permitted to re-submit Tenders, the same opportunity will be extended to all tenderers.

33.8. If a Tender is incomplete, or does not conform to the Contract Documents, the Relevant Officer may decide to disqualify the Tender. If the Tender is disqualified the Relevant Officer must inform the tenderer at the earliest opportunity that the Tender has been disqualified and the reasons for disqualification.

33.9. Formal Tender opening procedures are not required for receipt of tenders for selection stage of the Restricted Procedure, establishment of a Dynamic Purchasing System or for the establishment of a Framework Agreement where no pricing is fixed at the initial stage.

33.10. For the avoidance of doubt, for regulated procurement, formal Tender opening procedures are required for all Open Procedure Tender submissions, and for subsequent call offs or mini-competitions from a Framework Agreement or works packages awarded via the Dynamic Purchasing System in accordance with CSOs 33.6 and 33.7 above.

34. Technical and Financial Checks

34.1.1. The technical capability of the proposed Contractor; and

34.1.2. The financial standing of the proposed Contractor.

34.2. The assessment of the financial standing of proposed Contractors will be undertaken by the Head of Finance/Section 95 Officer.

34.3. It shall not be necessary to review the financial standing of a Contractor where the estimated value of the Contract is £50,000 or below.

34.4. It shall not be necessary to review the financial standing of a Contractor where a Contract is awarded either following a further competition under a Framework Agreement or a Dynamic Purchasing System. Further review of the financial standing of a contractor will not be necessary where a periodic financial review is undertaken as a condition of the contractor's appointment to the Framework Agreement or Dynamic Purchasing System.

34.5. For the avoidance of doubt, it shall be necessary to undertake a proportionate review of the financial standing and insurance requirements prior to award of a Contract and subject to a Non-Competitive Action in accordance with CSO 14.

34.6. The Relevant Officer will keep a record showing the results of each check of technical capacity and financial standing of Contractors.

34.7. Where the budget has increased following evaluation of the tenders there will be a requirement for a further review of the financial standing of the contractor by the Head of Finance/Section 95 Officer in accordance with 34.2 above.

38.1. All Contracts will be awarded in accordance with the published award criteria and no others.

38.2. Tenders will be evaluated by a Tender Evaluation Panel which consists of at least two officers with demonstrable technical ability to evaluate tenders.

38.3. Officers are required to complete a conflict of interest form for each individual tender evaluation prior to consideration and acceptance as a member of the Tender Evaluation Panel.

38.4. As a matter of good practice no member of the Tender Evaluation Panel shall assess both the quality and price aspects of a Tender.

38.5. In instances where evaluation of price requires expert analysis additional advice to be sought from the service area.

38.6. Where an Abnormally Low Tender is identified, the Service Manager (Procurement) and Legal Services will be consulted prior to any decision made as to the treatment of the Abnormally Low Tender submission.

39. Checking of Tenders and Post Tender Negotiations

All Tenders shall be subject to checking by the Relevant Officer who will prepare a written report in respect of all Tenders received in a form that complies with CSO 39 and that contains a specific recommendation as to the acceptance of the successful Tender or Tenders and the reasons for the award recommendation.

39.2. Between the last date and time for the receipt of Tenders and the date on which a decision is taken as to which, if any, Tender is to be accepted, the Relevant Officer may choose to enter into post tender negotiations. Post tender negotiations will only be undertaken in circumstances where the Relevant Officer has identified the tenderer who has submitted either the lowest price or most economically advantageous tender, and where the Relevant Officer is satisfied that there is scope for improvement in the Tender received and that such negotiations will be in the best interests of securing better value for money or improved terms to the Council. Post tender negotiations may only be used where that Tenderer is clearly identified. Post tender negotiation shall not be used to put other tenderers at a disadvantage or distort competition.

39.3. Where it is considered possible that post tender negotiations might apply, a clear indication will be given to prospective Contractors in the contract documents that post tender negotiation might be considered.

39.4. Between the last date and time for the receipt of Tenders and the date on which a decision is taken as to which, if any, Tender is to be accepted, the Relevant Officer may contact a tenderer in respect of any Contract to validate or to clarify the terms of the Tender.

39.5. Notwithstanding the other terms of this CSO 39, where examination of the Tenders reveals obvious errors and discrepancies which would affect the tender figures, errors will be dealt with as follows:

39.5.1. Any obvious arithmetical errors will be rectified by the Relevant Officer checking the tenders and the amount of tender shall be held to be correct so rectified and the tenderer informed of the corrected amount;

39.5.2. Where there is an obvious and genuine error in rates occurring, the tenderer will be given the opportunity of either confirming that he / she agrees with their tender being considered with the error remaining or withdrawing their tender. This procedure must be undertaken in writing. In the event that the tenderer decides to withdraw his / her tender, it will not be considered for acceptance. The tenderer must not be given the opportunity to submit an amended tender;

39.5.3. Appendix 1

Non Competitive Action (NCA)

1. It is Council policy that Contracts for Supplies, Services and Works should be awarded on the basis of value for money following a genuine and effective competition. This policy recognises that there may be occasions where it is appropriate to award a Contract without following a genuine and effective competition. This procedure is known as NCA and can only be applied in exceptional circumstances and after a financial and insurance assessment has been carried out.
2. Officers should refer to CSO 14 where the exemptions and exceptions are detailed; please note that an NCA is not required where the value of the Contract is less than £10,000 for Supplies and Services and Works.

Where the NCA refers to the procurement of Services, Supplies or Works under a new Contract instead of an extension or variation to an existing Contract, CSO 16 applies and a Procurement Plan is required.

3. An NCA will only be approved when a genuine business need exists which outweighs the need to subject the requirement to competition. Evidence in support of the NCA must stand up to scrutiny or challenge.
4. Only the Chief Executive or their designated substitute has the authority for final approval of an NCA.
5. Prior to seeking authority from the Chief Executive and Corporate Director for an NCA, advice and guidance must be sought from the Service Manager (Procurement) to ensure that there is sufficient information contained within the request to enable the Chief Executive and Corporate Director to consider the NCA.
6. The Chief Executive, in consultation with the Head of Finance/Section 95 Officer, the Head of Legal and Governance and the Service Manager (Procurement), as appropriate, will decide whether or not to authorise the request to proceed without competition.
7. Following approval a scanned copy of the NCA Form must in all cases be sent to the Service Manager (Procurement) for inclusion on the NCA register.
8. Where a request for NCA is rejected then a competition will be necessary. The level of competition will depend on the value, nature and complexity of the purchase.
