## Item: 10

Development and Infrastructure Committee: 10 November 2020.

Inter-Island Ferry Services – Proposed Summer 2021 Timetable.

Report by Executive Director of Development and Infrastructure.

# 1. Purpose of Report

To consider the proposed inter-island ferry services timetables for summer 2021.

## 2. Recommendations

The Committee is invited to note:

#### 2.1.

That the inter-island ferry services timetables for summer 2021 are scheduled to operate from 2 May to 22 September 2021.

#### 2.2.

That draft timetables in respect of ferry services to be operated by Orkney Ferries Limited during summer 2021 were presented to the Ferry Services Consultative Forum for consideration on 18 August 2020.

#### 2.3.

That, on 5 October 2020, the proposed timetables, together with feedback from the Ferry Services Consultative Forum, were considered by the Board of Orkney Ferries Limited and recommended to the Council for implementation.

#### 2.4.

That the proposed timetables, attached as Appendix 1 to this report, remain consistent with those operated in previous years.

### 2.5.

That, in advance of the Council's budget setting process for 2021/22 being concluded, any decision on the proposed Orkney Ferries summer timetable for 2021 will be subject to an adequate service revenue budget being established for financial year 2021/22.

#### It is recommended:

#### 2.6.

That, subject to an adequate service revenue budget being established for financial year 2021/22, the timetables in respect of ferry services to be operated by Orkney Ferries Limited during summer 2021, attached as Appendix 1 to this report, be approved.

## 3. Background

#### 3.1.

In accordance with the Service Level Agreements entered into by Orkney Ferries Limited and the Council, a recommendation from the Board of Orkney Ferries must be made via the Head of Marine Services and Transportation in order for the winter and summer timetable periods to be approved by this Committee.

#### 3.2.

The six Outer North Isles Community Councils each appoint a Transport Representative to represent their respective communities on the Inter-Isles Ferry Service Consultative Forum.

# 4. Ferry Services Consultative Forum

### 4.1.

The draft timetables for summer 2021 were considered by the Ferry Services Consultative Forum on 18 August 2020.

#### 4.2.

All transport representatives noted thanks to the Orkney Ferries team during this challenging time.

#### 4.3.

As the timetables have remained consistent over the past few years, the Community Council Transport Representatives had no comments or requests to alter the proposed timetables for summer 2021.

# 5. Proposed Timetables

#### 5.1.

The inter-island ferry services timetables for summer 2021 are scheduled to operate from 2 May to 22 September 2021.

#### 5.2.

On 5 October 2020, the proposed timetables, together with feedback from the Ferry Services Consultative Forum, were considered by the Board of Orkney Ferries Limited and recommended to the Council for implementation.

#### 5.3.

The proposed timetables, attached as Appendix 1 to this report, remain consistent with those operated in previous years and are therefore recommended for approval.

## 6. Corporate Governance

This report relates to governance and procedural issues and therefore does not directly support and contribute to improved outcomes for communities as outlined in the Council Plan and the Local Outcomes Improvement Plan.

# 7. Financial Implications

#### 7.1.

The timetables proposed in this report, and attached as Appendix 1, represent a continuation of the existing level of service provision.

#### 7.2.

The cost to the Council of providing a ferry service at a similar level in financial year 2020/21 is forecast at £10,046,200, and that relative to budget of £9,883,200, this represents a deficit of £163,000 which can be mainly attributed to the impact of Covid-19 on ferry services and passenger numbers with a significant offset due to a favourable fuel price variance.

#### 7.3.

In advance of a service budget being established as part of the Council's annual budget setting process for financial year 2021/22, the level of ferry service provision for next financial year is subject to an adequate budget being made available for that purpose.

#### 7.4.

Against the background, it is notable that to date, no proposals to scale back the ferry service have been actively considered as a means of managing ongoing budgetary pressures.

# 8. Legal Aspects

#### 8.1.

Section 153 (2) of the Local Government (Scotland) Act 1973 empowers the Council to "acquire, provide, maintain, improve and operate any ferry situated wholly or partly within their area".

#### 8.2.

Orkney Ferries Limited operates the ferry services on behalf of Orkney Islands Council under Service Level Agreements dated 30 May 2008.

#### 8.3.

The Service Level Agreements state that the timetables for the winter period should be recommended by the Company to the Council's Development and Infrastructure Committee for approval.

#### 8.4.

The Service Level Agreements state that Orkney Ferries Limited will operate the "Approved Services" and in return for funding from the Council. The definition of Approved Services" covers inter-isles ferry services as approved by the Council.
