6. Guidance Notes relating to Lets

The charges apply to local Voluntary Organisations. Private users are charged an additional 25% and commercial users an additional 100% plus VAT. Youth Organisations, Senior Citizens Groups and Community Education usage would have free use of some facilities, heat and light. If the Youth Organisation's use was fund-raising, they would be charged a normal let fee at the basic rate.

Charity fund-raising concession - when let is for raising funds for a national or locally recognised charity, 50% of the let fee is given as a reduction provided the letting organisation submit a written statement showing that ALL proceeds after legitimate expenses have been given to charity. Performing Rights Society fees should be charged where necessary.

Request for business use by private individuals - contact Leisure and Lifelong Services for advice.

Performing Rights Society fees will be charged where necessary.

Payment for janitorial / stewarding services is additional. The charge out rate is £17.00 per hour vat inclusive. Enhanced rates will apply to weekend bookings. Ask for Education, Leisure and Housing Services for further information.

7. Guidance Notes on VAT Levy on letting of facilities

Letting for meetings etc. are normally zero rated except where a standard rated service is supplied for example: additional equipment.

No VAT on granting lets of facilities for sport and physical recreation where:

1. Let exceeds 24 hour period.
2. Series of 10 or more periods playing same activity on same facility. Interval between lets not less than one day, not more than 14 days. Clear evidence of a written agreement. Lettee must be a school, club or association.
3. Lettee must have exclusive use of facilities.
4. Sport facilities hired for non-sporting activities.
5. Services Supplied:
 - a) Where you provide services (changing rooms, floodlighting etc.) with a let of sports facilities these are incidental to the main supply of sports facilities and have the same VAT liability.
 - b) Where you supply optional extra equipment or facilities (floodlighting for special matches, services of cloakroom attendants or Lifeguards) you are making a separate standard rated supply of service in addition to the right to use sports facilities. You must account for VAT on the part of the charge relating to those extra services even if the hire of the sports facilities themselves is exempt.
