Licensing (Scotland) Act 2005.

Bayleaf Delicatessen LLP – Bayleaf Delicatessen, 103 Victoria Street, Stromness.

Report by Clerk to the Board.

1. Purpose of Report

To consider an application from Bayleaf Delicatessen Limited Liability Partnership (LLP) for a premises licence in respect of Bayleaf Delicatessen, 103 Victoria Street, Stromness.

2. Recommendations

It is recommended:

That the Board determines the application from Bayleaf Delicatessen LLP for a premises licence in respect of Bayleaf Delicatessen, 103 Victoria Street, Stromness.

3. Policy Aspects

3.1.

In accordance with the Licensing (Scotland) Act 2005, the Board's Statement of Alcohol Licensing Policy provides that decisions on premises licence applications shall be made by the Board.

3.2.

In relation to overprovision, on 3 May 2018, the Board determined the following:

3.2.1.

There is no overprovision of licensed premises or licensed premises of a particular description within the locality of Orkney defined by the Board.

3.2.2.

The Board concluded that there was not a dependable causal link between the evidence provided to the Board and the operation of licensed premises, to suggest that a saturation point had been reached, or was close to being reached, within the locality of Orkney defined by the Board.

3.3.

In accordance with the Licensing (Scotland) Act 2005, the Board's Statement of Alcohol Licensing Policy generally permits off-sale operating hours of 10:00 to 22:00 each day.

3.4.

The full policy document is available from the Related Downloads section of the following Council webpage:

6. Financial Implications

The appropriate application fee of £800 has been paid.

7. Legal Aspects

7.1.

The Licensing (Scotland) Act 2005 (the Act) provides that the licensing board must hold a hearing for the purpose of considering and determining an application for a premises licence.

7.2.

A premises licence takes effect as soon as it is granted by the licensing board.

7.3.

Premises licence applications must:

7.3.1.

Name a premises manager, who must be a personal licence holder.

7.3.2.

Be accompanied by:

- A disabled access and facilities statement.
- Certificates in relation to:
 - Planning.
 - Building standards.
 - Food hygiene.

7.4.

Applications are not accepted unless all preliminary requirements are satisfied. The application names a premises manager, who is a personal licence holder. Further, a disabled access and facilities statement and certificates in relation to planning, building standards and food hygiene have been submitted.

7.5.

Any person may, by notice to the Board, object to an application on any of the grounds for refusal specified in the Act or may make representations to the Licensing Board, including representations in support of the application, as to modifications which the person considers should be made to the operating plan accompanying the application or as to conditions which the person considers should be imposed.

7.6.

The grounds for refusal under the Act are as follows:

7.6.1.

The subject premises are excluded premises – these are essentially garages or garage shops, but there is an exemption for premises which are the principal source, in their community, for groceries as well as petrol or deriv.

7.6.2.

The application must be refused if, generally, it is an application within one year of a previous refusal or seeks generally banned 24 hour opening or prohibited off-sale hours.

7.6.3.

The Board considers, having regard to the licensing objectives, that the applicant is not a fit and proper person to be the holder of a premises licence.

7.6.4.

The Board considers that the granting of the application would otherwise be inconsistent with one or more of the licensing objectives, namely:

- Preventing crime and disorder.
- Securing public safety.
- Preventing public nuisance.
- Protecting and improving public health.
- Protecting children and young persons from harm.

7.6.5.

Having regard to:

- The nature of the activities proposed to be carried on in the subject premises.
- The location, character and condition of the premises.
- The persons likely to frequent the premises.

The Board considers that the premises are unsuitable for use for the sale of alcohol.

7.6.6.

The Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises or licensed premises of the same or similar description as the subject premises, in the locality.

7.7.

Anyone lodging an objection on the ground detailed at section 7.6.6 above must specify the locality on which they are basing their objection.

7.8.

Where the Board is minded to refuse the application, but a modification proposed by the Board to the operating plan or layout plan (or both) would make the application

acceptable to the Board, the Board must grant the application, as modified, where the applicant accepts the proposed modification.

7.9.

Where the Board refuses the application, the Board must specify the ground for refusal. If the ground for refusal is that specified in the ground detailed at sections 7.6.3. or 7.6.4. above, the Board must specify the licensing objective or objectives in question.

7.10.

The Board must, in considering and determining the application, consider whether any of the grounds for refusal applies. If none of them applies, the Board must grant the application. If any of them applies, the Board must refuse the application.
