## Neighbourhood Services And Infrastructure

### The Orkney Islands Council (Disabled On-Street Parking Places) Order 202[ ]

#### Council's Reasons For Proposing To Make Order

Under the Scheme of Delegation to Officers Section 2.9.16, The Corporate Director for Neighbourhood Services and Infrastructure resolved in terms of delegated powers to introduce a disabled on-street parking order to cover on-street parking bays at the following locations:

- 10 Victoria Street, Kirkwall.
- Warrenfield Drive, Kirkwall.
- 10 Manse Road, Kirkwall.
- 6 Meadowbank, Kirkwall.
- 2 Graeme Park, Holm.
- 29 Alfred Street, Stromness.
- 17 Burnside, Flotta.

The reasons for proposing to make the order are given below:

- The Disabled Persons' Parking Places (Scotland) Act 2009 came into force on 1 October 2009.
- The Act places a duty on the Local Authority to promote the proper use of parking places in its area that have been designated or provided for use by disabled persons' vehicles.
- The Act requires that the Council identify all on-street advisory disabled persons' parking places and determine whether it is necessary to introduce a traffic regulation order in respect of those places.
- In deciding whether or not an on-street parking place is necessary and should be retained by the introduction of a traffic regulation order, the Council must determine whether it provides convenient access to the address of a person who holds a disabled person's badge.
- If the on-street parking place does provide convenient access, then the Council must decide whether it has the power to make a disabled street parking order in respect of the parking place.
