

Appendix 1 - Carriageways

Guide to column information

The following table provides guidance on the public roads information provided in this document.

Name.	Name of public Road.
Area / Island.	Area or Island in Orkney where the public road is located.
Classification.	<ul style="list-style-type: none"> • A roads : Major roads intended to provide large scale transport links within or between areas. • B roads : Roads intended to connect different areas, and to feed traffic between A roads and smaller roads on the network. • Classified unnumbered: smaller roads intended to connect together Unclassified. roads with A and B roads, and often linking a housing estate or a village to the rest of the network. Similar to 'minor roads' on an Ordnance Survey map and sometimes known unofficially as C roads. • Unclassified: Local roads intended for local traffic.
From.	Road from which the specified road leads.
To.	<p>Road to which the specified road leads.</p> <ul style="list-style-type: none"> • Where the 'To' column states 'Ends' this indicates that the road ends and does not lead onto any other roads.
Length.	The length of the specified road in metres.
