

Item: 4

Licensing Committee: 9 March 2023.

Review of Licensing Fees.

Joint Report by Corporate Director for Strategy, Performance and Business Solutions and Corporate Director for Neighbourhood Services and Infrastructure.

1. Purpose of Report

To review application fees charged by the Council for types of licences where the Council has discretion to set fees.

2. Recommendations

The Committee is invited to note:

2.1.

That, on 23 February 2023, when considering the revenue budget for 2023/24, the Policy and Resources Committee recommended that Corporate Directors should increase existing charges by a minimum of 10%, from 1 April 2023, if possible to do so, or as early as possible thereafter, with exceptions, where alternative arrangements were required.

2.2.

That the exceptions to increasing existing charges by a minimum of 10%, from 1 April 2023, includes licensing fees.

2.3.

That a comparison of fees charged by the Council with fees charged for similar types of licences or approvals by other local authorities in the north of Scotland has been undertaken, with the outcome detailed in Appendix 1 to this report.

2.4.

The proposal that, where the Council has discretion, licensing fees be increased by a minimum of 10% with effect from 1 April 2023, in accordance with the guidance outlined in section 4 of this report.

It is recommended:

2.5.

That, where the Council has discretion, with effect from 1 April 2023, licensing fees be increased by a minimum of 10%, resulting in the fee levels detailed in Appendix 2 to this report.

3. Background

3.1.

The Council issues licences, registrations and permits in terms of various statutory provisions. In some cases, the Council has discretion to set fees, generally on the basis that fees charged should cover its expenses in the processing of applications. In other cases, fees are prescribed by statutory instrument or regulations.

3.2.

Advertisement costs and third-party costs with related administration are met directly by applicants and licence holders. Newspaper advertisement of applications for licences for houses in multiple occupation was previously compulsory. Although such advertisement is now discretionary in terms of the legislation, current practice in Orkney is to advertise. This provides certainty regarding publicity for a category of application that can attract considerable local debate.

3.3.

A comparison of fees charged by the Council with fees charged for similar types of licences or approvals by other local authorities in the north of Scotland has been conducted, with the outcome detailed in Appendix 1 to this report.

3.4.

The comparison information relates to financial year 2022/23. The local authorities concerned have not completed their review processes for financial year 2023/24.

3.5.

On 10 March 2022, the Licensing Committee determined that, where the Council had discretion, with effect from 1 April 2022, licensing fees be increased by a minimum of 5%.

4. Proposed Charges

4.1.

At its special meeting held on 23 February 2023, when considering the revenue budget for 2023/24, the Policy and Resources Committee recommended inter alia that Corporate Directors should increase existing charges by a minimum of 10%, from 1 April 2023, if possible to do so, or as early as possible thereafter, with exceptions, where alternative arrangements were required. One of the exceptions is licensing fees.

4.2.

When calculating increases for the Council charges register, the following guidance was issued in respect of rounding for ease of collection:

- Less than £2.00 – no increase.

- £2.00 to £49.99 – 10% rounded to nearest 5p.
- £50.00 to £99.99 – 10% rounded to nearest 50p.
- £100.00 and over – 10% rounded to nearest £1.

4.3.

Appendix 2 to this report lists those licences, registrations and permits issued by the Council, where it has discretion in the setting of fees. It sets out the present level of fees, together with the level of fees proposed to take effect from 1 April 2023, taking cognisance of the guidance referred to above.

5. Corporate Governance

This report relates to the Council complying with its statutory duties as a Licensing Authority and therefore does not directly support and contribute to improved outcomes for communities as outlined in the Council Plan and the Local Outcomes Improvement Plan.

6. Financial Implications

6.1.

The approved Licensing budget for 2022/23 of £18,400 is made up as follows:

Staff Costs.	£74,500
Other Costs.	£29,900
Gross budget.	£104,400
Less Fees and Charges	-£86,000
Net budget	£18,400

6.2.

The fees and charges collected are principally Liquor Licensing fees (70%) and the Licences, Approvals, Registrations and Permits fees (30%) which are the subject of this report. The current income generated is not sufficient to cover the costs of the service and therefore the proposal to increase fees by the proposed 10% budgetary uplift will help towards bridging this funding gap.

6.3.

Environmental Health and Trading Standards income in respect of licensing fees, subject to the categories determined by the Licensing Committee, for 2021/22 was £1,632 with estimated income for 2022/23 of £1,900.

7. Legal Aspects
