Indoor Courses

DB001/8/24 - Yoga & Relaxation – Milestone Community Church, Dounby

Classes include movement, breathing and relaxation with the emphasis on awareness and moving according to your own limits. Yoga has the benefit of safely stretching and strengthening the body and improving joint mobility, in addition we develop our awareness of moving in a way that releases excess tension so there is an overall experience of softness and relaxation. As this becomes more familiar to us, we can then bring this relaxed way of being into our daily lives thus improving our overall feeling of wellbeing.

Students must provide their own mats

Optional items you can bring are blocks, blanket, small cushion.

- Tutor: Carolyn Stewart (9 Sessions in total)
- Mondays
- 23 & 30 September 2024
- 07 October 2024
- 04, 11, 18 & 25 November 2024
- 02 & 09 December 2024
- 10.00 - 11.30

KW001/8/24 - Qiqong & Tai Chi for Beginners – KGS (Gym Hall)

The class will start by learning the 18-movement Qigong Shibashi set and the 8 pieces of brocade. Qiqong is a series of slow, simple, and gentle movements combined with breathing techniques, this will be followed by a step-by-step introduction to tai-chi walking.

The class will then move on to learning the Tai Chi Short Form, which consists of 28 slow moves brought together to become smooth-flowing movements.

The class will end with the eight fine treasures of another Qigong set.

The course is suitable for beginners who have not done Tai Chi before or for students who have taken part in the course previously and are looking to improve their tai chi.

A basic level of health and fitness is required. Similar to that required for a 1-2 hour slow paced walk. Students should consult their doctors if they are in any doubt that the class is suitable for them.

In this class you will be working mainly down on the floor: Lying, sitting, kneeling and sometimes standing. You will be exploring ways of arriving at Yoga postures more by chance rather than having a fixed goal in mind. Repeating sometimes unusual patterns of movement helps to keep bodies and minds adaptable and open to change.

Students are advised to bring the following: yoga mat, long strap, belt or tie (not stretchy)

Optional items you can bring are blocks, blanket, small cushion.

We would suggest you wear comfortable layers of clothing. Students must be happy to work on the floor, lying, sitting and kneeling and also be able to get back up again.

Through repetitive and perhaps unusual patterns of movement your body can learn to adapt, which can help you to move around and through the various physical and mental restrictions that we all have.

You should be able to walk, stand, sit in a chair and be able to get out of it.

Students might want to bring along a blanket and small cushion for comfort.
