FOREWORD BY HEAD OF FINANCE

INTRODUCTION

The Local Government Finance Act 1992 is the legislative basis for the current system of local taxation, namely Council Tax. The Council is required to set a balanced budget by the 11 March in the financial year preceding that for which it is set. The revenue budget for the financial year 2018/19, commencing 1 April 2018, was agreed on 22 February 2018 with the Council Tax Band D level being increased by 3% to £1,100.

LEVEL OF EXPENDITURE

The net revenue budget for 2018/19 stands at £82.022M.

Delivering a balanced budget was only possible through the application of savings and efficiency measures totalling £1.757M applied across General Fund services. Contained within individual service budgets it has also been possible to accommodate £5.540M of additional service pressure which includes £0.334M one-off service pressure, £1.712M inflation mainly in respect of pay increases and £0.522M Settlement Adjustment detailed on page 21.

DOCUMENT STRUCTURE

The Strategy and Assumptions on page 5 were agreed by Council on 22 February 2018. These include the Council Tax calculation and the allocation of approved service pressure and savings across General Fund Service Areas.

The Service Committee Budgets on page 25 provides a budget summary by service committee. This includes details of all General Fund and Non-General Fund services.

The General Fund Service Budgets on page 37 details the General Fund Revenue Estimates, beginning with a Service Committee Summary then Service Area Summary, which includes a summary by Service Function. More detailed Service Area budgets by Subjective Group then follow.

The Housing Revenue Account on page 105 deals with the Housing Revenue Account.

The Harbour Account on page 109 deals with the Harbour Accounts : Scapa Flow Oil Port and Miscellaneous Piers and Harbours.

The Orkney College on page 119 deals with the Orkney College Account.

The Corporate Holding Accounts on page 125 deal with the budgets for General Fund and Non-General Fund Repairs and Maintenance to properties, General Fund and Non-General Fund Ground Maintenance costs and Utilities, Insurance, Telephones, Photocopiers and Postages holding accounts.

The Strategic Reserve Fund on page 131 deals with the Strategic Reserve Fund.

The Pension Fund on page 137 deals with the Pension Fund Account.

A Glossary of Terms is provided at page 141.

FOREWORD BY HEAD OF FINANCE

DEFINITION OF KEY TERMS

The estimates have been prepared using the format of the Council's financial ledger system, which reflects the standard classification of local authority income and expenditure as recommended by the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Local Authorities (Scotland) Accountancy Advisory Committee (LASAAC).

Each of the constituent elements of the 2018/19 budget total are shown to enable both reader and budget holder to quickly see what makes up the budget figure presented.

The budget figures given cover eleven separate datasets, ranging from Approved Budget 2017/18 through to Approved Budget 2018/19.

These eleven datasets or columns of information are split between two distinct groupings which cover the two financial years 2017/18 and 2018/19.

The details show the full year revenue costs of providing General Fund, Housing Revenue Account, Harbour Authority, Orkney College, Corporate Holding Accounts, Strategic Reserve Fund and the Pension Fund.

Approved Budget 2017/18	Approved budget to 31 March 2017. As approved by Council, 22 February 2017.
Baseline Movement 2017/18	Budget movements made in respect of permanent virements and return of one-off budgets 2017/18 to the Revised Budget in light of agreed service changes.
Revised Baseline 2017/18	Approved budget 2017/18 + Baseline movement 2017/18.
Inflation 2018/19	Increases at agreed rate of uplift following the application of the approved budget uplifts.
One-off Adjustments 2018/19	Changes made primarily to time-limited funding arrangements, therefore not part of the Baseline.
Service Pressures 2018/19	New and additional service spending pressures as proposed collectively by the Corporate Management Team and approved by Council.
Efficiency Savings 2018/19	Savings and efficiencies as proposed collectively by the Corporate Management Team and approved by Council.
Finance Settlement 2018/19	Additional funding from the Scottish Government through the finance settlement.
Final Adjustment 2018/19	Final budget changes have been made primarily in relation to known funding levels.
Approved Budget 2018/19	Approved budget to 31 March 2019. As approved by Council, 22 February 2018.

FOREWORD BY HEAD OF FINANCE

DEFINITION OF KEY TERMS (cont.)

The following terms are used throughout the estimates with the undernoted definitions:

Service Area	Specific area within a Service Committee e.g. Social Care, Transportation, etc.
Service Function	Specific function within a Service Area e.g. Childcare, Elderly Residential, etc.
Subjective Group	Expenditure & Income Grouping e.g. Staff, Property, Fees & Charges etc.

More detailed descriptions of each element within each of the Subjective Groups now follow:

Subjective Group (Expenditure)

Staff Costs	Salaries, Wages, Pension Contributions, National Insurance.
Other Staff Costs	Interview & Removal Expenses, Staff Advertising.
Property Costs	Rent, Rates, Insurance, Heat, Light and Power, Repairs and Maintenance, Cleaning.
Supplies and Services	Purchases of Supplies, Materials, Equipment, Contract Services, Consultants, IT costs.
Transport Costs	Vehicle and Plant Costs, Transport, Fares, Staff Mileage.
Administration Costs	Office Stationery, Photocopying, Telephones, Postage, Printing, Subsistence, Training, non-Property Insurance.
Apportioned Costs	The cost of Central Support Services (Chief Executive, Administration, Legal, Finance & Technical Services) recharged to Service Areas.
Third Party Payments	Payments for the provision of services on an Agency basis, such as Other Local Authorities, Voluntary Organisations, and Private Contractors.
Transfer Payments	Payments to individuals for which no goods or services are received, such as Student Bursaries, Housing Benefits and other Grant Payments.
Loan Charges	Financing of the Capital Programme.
Miscellaneous Expenditure	Other Expenditure

FOREWORD BY HEAD OF FINANCE

DEFINITION OF KEY TERMS (cont.)

Subjective Group (Income)

Government Grants	Scottish Government Grants.
Other Grants & Reimbursements	Health Authority, Other Agencies and Voluntary Organisations.
Rents & Lettings	Hire of Equipment, Lettings and Rents.
Sales	Sale of equipment and materials, Canteen, Refectory and School Meals.
Interest & Loans	Interest on Revenue Balances and Loans.
Fees & Charges	Licenses, Admission Charges, Harbour Dues and Care Charges.
Apportioned Income	The recharge of Central Support Services (Chief Executive, Administration, Legal, Finance & D&I Support) recharged from Service Areas.
Miscellaneous Income	Other Income.

Gareth Waterson
Head of Finance
April 2018

GENERAL FUND

STRATEGY AND ASSUMPTIONS

STRATEGY AND ASSUMPTIONS

1 THE BUDGET STRATEGY

1.1 The Council has faced significant budget constraints in recent years that has required year on year savings; delivering savings of £11.471m between 2011/12 and 2017/18 as follows:-

2011/12	£4.272m
2012/13	£1.976m
2013/14	£1.135m
2014/15	£1.336m
2015/16	£0.550m
2016/17	£1.360m
2017/18	£0.842m

1.2 Independent economic commentary has reported that the revenue grant to local government was cut by around 5% in real terms between 2015/16 and 2016/17 and that the outlook is particularly challenging, with 'unprotected' parts of the Scottish budget facing real terms cuts of 13-16% over the course of the Scottish parliament.

1.3 The best current planning assumption is that Scottish local authorities are advised to plan for further reductions in government funding and will have to continue to save money from financial year 2018 to 2019 until at least the end of financial year ended 31 March 2021.

1.4 Since the Council agreed the General Fund Budget and set the Council Tax for 2018/19, the local government allocations in the updated finance circular 4/2018 in the settlement has changed as follows:-

	P&R Report Feb-18 £	Finance Circular 4/2018 £	Difference £
Ring-Fenced Grants	535,600	6,188,000	5,652,400
Non-Domestic Rates	9,376,000	9,376,000	0
General Revenue Funding	<u>58,965,000</u>	<u>59,056,000</u>	<u>91,000</u>
Total General Revenue Funding	<u>68,876,600</u>	<u>74,620,000</u>	<u>5,743,400</u>

1.5 The Council's settlement from the Scottish Government has now been confirmed in Finance Circular No 4/2018 at £74,620,000.

1.6 Accordingly, the General Fund revenue budget for financial year 2018/19 has been set at £82,022,200, an increase of £91,000 from that reported in February 2018. The changes are as follows:-

	£
P&R February 2018 Report	81,931,200
<u>Additional Scottish Government Funding</u>	
Discretionary Housing Payments	80,000
1+2 Languages	11,000
General Fund Revenue Budget 2018/19	<u>82,022,200</u>

STRATEGY AND ASSUMPTIONS

- 1.7 The Council's annual budget uplifts since 2011/12 have necessarily reflected the prudent approach taken to the budget, with annual budget uplifts set at less than the headline rate of inflation. This approach has resulted in all Council services having to find additional efficiency savings within their approved budgets to cover the impact of cost price increases. General Fund services in aggregate were however overspent against budget in the financial year ended 31 March 2017 reflecting the pressure some services budgets are facing.
- 1.8 The low price of oil, which provided some respite in transport and property heating costs in financial years 2014/15 and 2015/16, has been rising quite steadily over the last two years, increasing from under \$40 per barrel to over \$65 per barrel in January 2018 while the headline rate of inflation, is moving upwards as the devaluation of sterling has pushed up the cost of imports.
- 1.9 The settlement figures provided by the Scottish Government in Finance Circular 4/2018 are for the 2018/19 financial year only with no indication given of what future settlements might amount to. In addition to the 2018/19 settlement the Government has confirmed that there will also be an additional share of £52,200,000 of revenue funding and £150,000,000 capital allocation for Early Years childcare which was not included in the distributable amount in the Finance Circular totals.
- 1.10 To be consistent with the single year financial settlement the Council set a one year budget for 2018/19 only.
- 1.11 A medium term resource strategy has been developed to establish the framework for budget setting over the period 2017 to 2022 with the general recognition that further spending reductions need to be considered in a strategic manner over the medium-to-long term given the requirement for continued and significant budget reductions.
- 1.12 The implication for the Council is that, on current predictions, real terms increases in general revenue funding cannot be expected any time soon. The use of reserves to balance the budget must however only be a short term solution. There is therefore a continuing requirement to reduce the level of General Fund expenditure to bring it into line with the financial support received.
- 1.13 In addition to setting the Council Tax level for the financial year ended 31 March 2019, the Council is required by law to set a balanced revenue budget by 11 March whereby the level of budgeted expenditure cannot be set at a level greater than the known or realistically anticipated total income for that year.

2 HEADLINE GRANT SETTLEMENT FIGURES

- 2.1 The following table is based on Local Government Finance Circular (FC) 4/2018 (adjusted for notified changes to ring fenced grants) and sets out the headline grant figures for 2018/19 and compares these with the 2017/18 grant award:-

	£m	£m	£m
2017/18 (FC 1/2017)		66.671	
2018/19 (FC 4/2018)	74.620		
2018/19 Ring Fenced Grants	<u>(6.188)</u>		
		68.432	
Estimated Grant Increase			<u><u>1.761</u></u>

STRATEGY AND ASSUMPTIONS

- 2.2 The 2018/19 settlement is an increase in government grant of £7.949m, however the finance circular includes ring fenced grants totalling £6.188m that were not contained in the comparable settlement total in FC 1/2017; the like for like increase was therefore £1.761m which overall equates to a 2.6% increase in government support for revenue spending.
- 2.3 The Government will once again allow local authorities to increase the level of Council Tax by up to 3%. It is assumed that the Council will increase Council Tax by 3% raising an additional £221,000.
- 2.4 As part of the financial settlement for 2018 to 2019, the Cabinet Secretary for Finance and the Constitution has advised that the £355,000,000 support for health and social care provided to the NHS through the Integration Fund in 2017 to 2018 will be base-lined from 2018 to 2019. The Orkney Integration Joint Board's share of this is £1,525,000.
- 2.5 The reduction in Loan and Leasing Charges support continues to be worthy of note as loan charges support will continue to reduce over future years according to the Government profile for repayment of capital debt. With the Government support for servicing the debt diminishing, the importance of repaying the existing debt becomes more important. The reduction in loan charge support from the Government is approximately the same as the additional Council Tax that can be raised with a 3% increase in Council Tax.
- 2.6 In order to secure the level of grant settlement for 2018 to 2019 shown above, the Council is required to deliver certain commitments within the funding being provided. The Cabinet Secretary for Finance and the Constitution stated that he required those Council Leaders who did not intend to take up the settlement offer and agree the full package of measures to write to him to set out their position by 26 January 2018. The Cabinet Secretary stated that, for those authorities not agreeing the offer for 2018 to 2019, a revised and inevitably less favourable offer will be made.
- 2.7 The Leader of the Council wrote to the Cabinet Secretary by the 26 January deadline stating that the Council wished to reserve its position on acceptance or not pending confirmation of what the final settlement amount would be. Following the announcement of Ferry Funding the Leader of the Council wrote again to the Cabinet Secretary on 9 February 2018 to accept the amended financial settlement.
- 2.8 The Cabinet Secretary has also restated his commitment to partnership working and has confirmed his intention that 2018 to 2019 will be a sanction free settlement. The funding deal is offered as a package and local authorities must agree to deliver all of the measures set out in the package.
- 2.9 When setting the budgets for financial years 2012 to 2013 up to and including 2017 to 2018, the Council has agreed to the full funding package and has set the Council Tax in line with the cap or capped increase parameters.
- 2.10 The Cabinet Secretary for Finance and the Constitution wrote to the Convention of Scottish Local Authorities on 14 December 2017 outlining the terms of the settlement to be provided to local government for 2018 to 2019 in return for the provisional funding allocations as set out in Circular 5/2017. The principal conditions are:
- 2.10.1 a 3% cap on any increase in the level of Council Tax which increased in 2017 to 2018 for the first time since financial year ended 31 March 2008.
 - 2.10.2 a national requirement to maintain a pupil:teacher ratio of 13.7:1.

STRATEGY AND ASSUMPTIONS

- 2.10.3 places for all probationary teachers who require one under the teacher induction scheme.
- 2.11 The Scottish Government does not have a parliamentary majority and was therefore in a position where it could not guarantee that it would secure parliamentary approval for its draft budget proposals. For the 2018 to 2019 budget the Government secured the support of the Scottish Green Party in return for which £159,500,000 of revenue funding has been added to the local government settlement. This Council's allocation from this extra funding is £889,000 plus a further £245,000 to be paid in the year ended 31 March 2018 as a redetermination, giving a total of £1,134,000 to support the 2018 to 2019 budget.

3 PROJECTED SPENDING PRESSURES

- 3.1 With cuts in the level of government grant awarded to Local Government as a whole until 2018 to 2019, the cost of budgeting for the pressures of inflation has in recent years been a significant spending pressure which has had to be met by the Council. Steps have been taken over recent years to minimise the impact on the Council's budgets, with annual budget uplifts set at less than the headline rate of inflation.
- 3.2 This approach has resulted in all Council services having to find additional efficiency savings, within their approved budgets, in relation to the impact of cost price increases. The September 2017 headline rate of Consumer Price Index inflation was 3.0% and application of this rate would result in further cost pressures. The cost of applying these budgetary adjustments is £1,712,200.
- 3.3 Council services that have identified growth in demand or new responsibilities that may require additional funding in financial year 2018 to 2019 have prepared and submitted service pressure bids as part of the budget setting process. All proposed service pressure bids have been subject to debate, review and challenge by the Senior Management Team and further challenge by elected members as part of the budget setting process. That process has had due regard to how these proposals relate to the Council's priorities; meeting the Council's statutory requirements; the risk assessment of the service pressure bids and the basis of calculation.
- 3.4 Service pressure bids summary of the submissions provided in the table below:

Totals by Service	£000
Pay Pressures / Change Programme	2,117
Chief Executive	175
Corporate Services	153
Development and Infrastructure	4,466
Education, Leisure and Housing	2,215
Orkney Health and Care	2,153
	<u>11,279</u>

STRATEGY AND ASSUMPTIONS

3.5 The proposed Pay/Change Programme pressures and service pressure bids recommended for approval, including £731,000 of self-financing pressure, total £5.749m, summarised in the table below:-

Totals by Service	Totals	Base	One-off	Self- Financing
	£000	£000	£000	£000
Pay / Property Costs	2,117	2,117	0	0
Chief Executive	0	0	0	0
Corporate Services	83	83	0	0
Development and Infrastructure	2,492	2,158	334	0
Education, Leisure and Housing	62	62	0	0
Orkney Health and Care	995	264	0	731
	5,749	4,684	334	731

3.6 Approval of the service pressure bids resulted in provision being made in the 2018 to 2019 budget either on a permanent basis by addition to the base budget, one-off basis or on a self-financing basis.

3.7 Within the service pressures identified, 27 bids totalling £5,864,000 were deferred as a consequence of the constrained financial position. Included within the deferred items, is a service pressure bid, amounting to £1,900,000, in respect of Early Years provision within the Education Service, that will receive an allocation yet to be confirmed from the undistributed £52,200,000 Early Years Expansion funding in the local government finance settlement.

3.8 It will be necessary to manage the funding requirement for all of the identified service pressures through a combination of efficiency savings, use of reserves and balances and restricting the level of service pressure that is built into the budget, wherever possible.

3.9 On 12 January 2018, the Trade Union side of the Scottish Joint Council submitted a pay claim for 2018 seeking a flat rate increase of £1,500 to all spinal column points or 6.5%, whichever is greater. On 26 January 2018, the Teaching Union Side submitted a pay claim for 2018 seeking a pay increase of 10%. These pay claims have not been factored into the pay pressure estimate which only includes provision for a 3% pay increase.

3.10 The Third Sector in Orkney is a key and valued resource as evidenced by the Council's action in previously approving and implementing a three year funding arrangement with the Sector involving year on year increases of 2.25% covering the period 2008 to 2011. When setting the budgets for 2011 to 2012 through to 2017 to 2018, the Council agreed that the Third Sector should receive a 1% increase. Reductions in Third Sector provision feature in the savings proposals for financial year ended 31 March 2019.

4 RESERVES AND BALANCES

4.1 Section 93 of the Local Government Finance Act 1992 requires Scottish authorities, in calculating the Council Tax, to take into account any means by which Council expenses may otherwise be met or provided for. This includes General Fund reserves and earmarked portions of the General Fund balance but not other reserves the Council is specifically allowed to hold.

4.2 The Council currently holds various earmarked reserves within General Fund balances as part of its longer-term financial management strategy. These earmarked reserves, amounting to £10.926m at 1 April 2017, are held to meet specific commitments, specific purposes or for specific Council priorities.

STRATEGY AND ASSUMPTIONS

- 4.3 Balancing the annual budget by drawing on general reserves may be a legitimate short-term option. However, it is not prudent for reserves to be deployed to finance recurrent expenditure. CIPFA has commented that local authorities should be particularly wary about using one off reserves to deal with shortfalls in current funding. Where such action is to be taken, this should be made explicit, and an explanation given as to how such expenditure will be funded in the medium to long term.
- 4.4 The Council holds a General Fund balance which, at 1 April 2017, stood at £4,787,100 (1 April 2016 £5,266,900) and gives the Council a degree of protection over the longer term from potential risk due to unforeseen significant expenditure calls where insufficient revenue or capital budget provision may exist. In the event that any use of General Fund Reserves is made in determining the 2018 to 2019 revenue budget, this should only be done on the basis of a sustainable strategy, which ensures that future years' revenue budgets are not dependent on the unsustainable continuing use of General Fund Reserves.
- 4.5 There is no generally recommended target level of uncommitted General Fund Reserves although a number of local authorities do have a target range of between 2% to 4% of their net revenue expenditure. Based on the Net Revenue Budget for 2018 to 2019 of £81,931,200, this would imply a level of uncommitted Reserves for this Council of between £1,638,600 and £3,277,200. The projected level of the Council's non-earmarked General Fund reserve will be approximately £4,787,100 at 31 March 2018 (prior to any budget decisions which have an effect on the Reserves position).
- 4.6 When the General Fund reserves position was considered in February 2015, the Council resolved to earmark an additional portion of the General Fund balance and retain the un-earmarked balance of £5,266,900 or approximately 7% of the General Fund Revenue Budget. In financial year 2016 to 2017 there was expenditure of £479,800 in respect of items the Council had agreed could be funded from the General Fund balance when setting the 2016 to 2017 budget, which reduces the balance as at 31 March 2017 to £4,787,100. There may be an additional draw on this fund in financial year 2017 to 2018.
- 4.7 The Council also has available a source of funding from its Strategic Reserve Fund. In setting the revenue budget for 2017 to 2018, a contribution of £7,363,000 of the interest that would be earned on the Strategic Reserve Fund was budgeted as a means of cushioning savings targets/requirements and to maintain and protect spending and services which might otherwise have been reduced or removed when setting the budget.
- 4.8 The policy recommended for the use of interest earned on the Strategic Reserve Fund is to use half of sums earned to support services and the other half to maintain, as far as possible, the "real" value of the reserves.
- 4.9 A review of the strategy and investment performance of the Strategic Reserve Fund was carried out by Hymans Robertson in 2016. The review was reported to the Investments Sub-committee on 15 March 2016 and confirmed that a nominal return of around 5.6% per annum is required to maintain the Strategic Reserve Fund at its current fund size to allow distributions of around £4,000,000 per annum, which is in line with the expected return on the Fund based on the current interim target asset allocation. The review also confirmed that distributions above £5,000,000 per annum look to be unsustainable in the long term without assuming unachievable levels of returns on the assets or obtaining additional funding.
- 4.10 The review report confirms that with an investment strategy targeting a return of 5.6% there would also be a predicted risk volatility of +/- 7.7%.

STRATEGY AND ASSUMPTIONS

- 4.11 The managed funds portfolio increased in value in the year to 31 March 2017 by £23,616,500 (12.9%) from £183,682,700 at 1 April 2016 to £207,299,200 at 31 March 2017. In comparison to the year ended 31 March 2016 when the fund suffered a reduction in value and is a reminder that the current headroom in the Strategic Reserve Fund valuation is sensitive to investment market fluctuations.
- 4.12 On 21 June 2016, the Policy and Resources Committee recommended that the Community Development Fund should be renewed, with an allocation of £1,000,000 being made from the Strategic Reserve Fund and that the Community Development Fund be included in the revenue budget under the Development area. The contribution for 2018 to 2019 is £334,000.
- 4.13 To protect the Strategic Reserve Fund in real terms the Council reduced the reliance placed on the fund with a reduced annual draw on the Strategic Reserve of £3,930,000 since 2014 to 2015. In order to balance the 2017 to 2018 revenue budget however a one off draw of up to £7,000,000 from the Strategic Reserve Fund was recommended while for 2018 to 2019 a draw of £4,684,000 from the Strategic Reserve Fund is recommended, comprising the following:

Reserve Fund Contributions	£
Baseline contribution	3,760,000
Pickaquooy Centre maintenance (now baselined)	170,000
Increase in Transportation Harbour Charges	420,000
Community Development Fund	334,000
Total	4,684,000

- 4.14 In light of the current financial climate the importance of sustaining a sufficient reserve position is pivotal to the financial framework of the Council given the very tight budgets which have to be set for Council services and the inherent risk therein.

5 COUNCIL TAX

- 5.1 The Council Tax is based upon the capital value of domestic properties (as at 1 April 1991) which is determined by the Assessor. Once the capital value of properties is assessed, properties are allocated to one of eight bands.
- 5.2 The freeze on the level of Council Tax has been replaced by a capped increase of up to 3% which is the level of increase agreed and results in the following levels of Council tax:-

Band	Property Value	Proportion of Band D	Council Tax	
			2018/19	2017/18
A	Up to £27,000	240/360	£733.33	£712
B	£27,000 - £35,000	280/360	£855.56	£831
C	£35,000 - £45,000	320/360	£977.78	£949
D	£45,000 - £58,000	360/360	£1,100.00	£1,068
E	£58,000 - £80,000	473/360	£1,445.28	£1,403
F	£80,000 - £106,000	585/360	£1,787.50	£1,736
G	£106,000 - £212,000	705/360	£2,154.17	£2,092
H	Above £212,000	882/360	£2,695.00	£2,617

- 5.3 In September each year, the Council submits an annual return to the Scottish Government providing details of Council Tax Band D equivalent properties which is used by the Scottish Government in determining the level of revenue support grant for each Council. The number of Band D equivalent properties in Orkney for the September 2017 return was 7,923.

STRATEGY AND ASSUMPTIONS

5.4 An element of non-collection of Council Tax will inevitably occur and it is considered prudent to make a non-collection allowance of 1.0%, thereby reducing the Band D equivalent by 79 from 7,923 to 7,844. The allowance for non-collection applied when setting the 2017 to 2018 Council Tax was also 1.0%. With a recommended 3% increase in the Band D Council Tax level to £1,100, the total amount of income expected to be generated through the Council Tax is therefore £8,628,000.

6 EFFICIENCY SAVINGS FOR 2018/19

6.1 Services have submitted efficiency savings proposals totalling £5.993m. Each of these savings proposals has been subject to challenge by the Senior Management Team and then further challenge by elected members at the series of budget seminars held as part of the 2018/19 budget setting process.

6.2 The full range of efficiency savings options for 2018/19 was estimated to involve reduction in staffing numbers of approximately 16.96 Full Time Equivalent (FTE) posts. 5.73 FTE of these posts were vacant and the remaining 11.23 FTE occupied.

6.3 Restricting the savings to low and medium risk levels resulted in a reduction of 14.22 FTE posts of which 5.49 FTE were vacant and 8.73 FTE occupied.

6.4 The recommendations in respect of efficiency savings for 2018/19 were that the efficiency savings figure to be achieved be set at £1.757m

7 CHARGING FOR SERVICES

7.1 The Council approved a revised Corporate Charging and Concessions Policy on 9 December 2014.

7.2 The importance of charges has increased with the reduction in grant funding and the knowledge that increasing existing charges and introducing new charges are required to maintain services or prevent certain services being removed altogether. For 2018/19, it is recommended that Executive Directors should look to review and increase existing charges by a minimum of 4% from 1 April 2018, if it is possible to do so.

7.3 There are however exceptions required to this policy where, for commercial or other reasons, application of the charge would result in a reduction in income or where the charges collected by the Council are set by statute; a sub-committee to which the Council has delegated responsibility, or a national body. Nationally determined charges will continue to be adjusted according to the national changes.

7.4 In relation to Orkney Ferries, following confirmation of fairer funding, the proposal is to freeze ferry fares for a further year at 2015/16 levels to reflect the benchmarking carried out as a part of the Ferries Review which found that the Orkney Ferries fares were higher than for comparable services elsewhere in Scotland. If fairer funding had not been received the proposal would have been to increase ferry fares by 4%.

STRATEGY AND ASSUMPTIONS

7.5 The proposed exceptions where the increase of at least 4% will not apply are as follows:-

- 7.5.1 Building Warrant and Planning fees - set nationally;
- 7.5.2 Harbour Charges;
- 7.5.3 Ferry Fares - frozen;
- 7.5.4 Car Park Charges;
- 7.5.5 Residential Care and Home Care - based on cost of service;
- 7.5.6 Very Sheltered Housing - based on cost of service;
- 7.5.7 Supported Accommodation - based on cost of service;
- 7.5.8 Licensing fees;
- 7.5.9 Ship Sanitation Certification;
- 7.5.10 Marriage / Civil Partnership - set nationally;
- 7.5.11 Roads Inspection Fees - set nationally; and
- 7.5.12 Trade Waste Charges.

7.6 The disposal of all waste including trade waste via the Shetland incineration route has been subject to significant increased costs over recent years. It is proposed that the trade waste charges continue to be set to ensure recovery of the cost of providing the trade waste service.

7.7 When calculating increases for the Council charges register, the increased charges will be rounded for ease of collection in accordance with the following charging policy guidance:-

- 7.7.1 Less than £2.00 no increase;
- 7.7.2 £2.00 to £49.99 4% rounded to nearest 5p;
- 7.7.3 £50.00 to £99.99 4% rounded to nearest 50p; and
- 7.7.4 £100.00 and over 4% rounded to nearest £1.

7.8 For small value charges that have not increased for a few years these will be looked at in the year ahead and the increase applied if they would have increased but for the rounding preventing the increase.

8 REVENUE BUDGET SUMMARY

8.1 The proposed uprating assumptions to be applied to the existing base budget are set out in Annex 2 attached and total £1,712,200 for 2018 to 2019.

8.2 All the proposed service pressure bids and savings options were subject to debate, review and challenge by the Senior Management Team and by Members through a series of budget seminars. That process had due regard to:-

- 9.2.1 how these proposals related to the Council's priorities;
- 9.2.2 meeting the Council's statutory requirements;
- 9.2.3 the risk assessment of the saving options; and
- 9.2.4 the basis of calculation.

STRATEGY AND ASSUMPTIONS

8.3 A summary of the cost pressures and funding proposals required to set a balanced budget in 2018/19 are set out below:-

	2018/19
Cost Pressures	£
Council Wide Pressures	2,100,000
Service Pressure Growth	2,600,000
Contingency	1,900,000
Reinstate Strategic Reserve Fund	3,100,000
Reinstate Loan Charges	700,000
	10,400,000
Funded by:	
Council Tax	200,000
Grant Increase	7,100,000
Efficiency Savings	2,000,000
Use of SRF Reserves	300,000
Former One-offs no longer required	800,000
	10,400,000

8.4 The grant increase received has enabled the contribution from the Strategic Reserve Fund to be retained at a level of £4,684,000 (baseline £4,350,000) for 2018 to 2019.

9 OTHER BUDGET RELATED ISSUES

Innovation Fund

9.1 On 26 November 2013, the Policy and Resources Committee recommended top-slicing £331,000 from the Innovation Fund in order to establish the Change Programme. When preparing the budget proposals for future years it has been recognised that the Change Programme should continue and the Council has continued to invest in the Change Programme as a means of delivering baseline budget savings. It was reported to the Change Programme Board on 1 February 2017 that the Change Programme had supported baseline savings up to 31 March 2017 of £541,000 with a savings figure proposed in 2018 to 2019 of a further £652,700 giving £1,193,700 in total, with a further £2,963,700 of approved targets from 2018 to 2019 onwards.

9.2 It is proposed that the Change Programme continues during 2018 to 2019 and that the £275,000 cost of the Change Programme be approved as a baseline service pressure. Budgeted investment in the Change Programme to date is as follows:

Financial Year	Budgeted Investment
2014/15	£331,000
2015/16	£250,000
2016/17	£250,000
2017/18	£250,000
2018/19	£275,000
	£1,356,000

Fair Funding for Ferry Services

9.3 The Council has been involved in a lengthy negotiation with Scottish Government and Transport Scotland during which the Council has sought to secure funding to address the historic deficit in Scottish Government support for the funding of lifeline ferry services and in an attempt to remove the burden of subsidising the internal ferry service which the Council has shouldered for many years.

STRATEGY AND ASSUMPTIONS

- 9.4 The Council lobbying activity on fairer funding had been intense in the run up to the publication of the draft Government budget for 2018 to 2019. There was no fairer ferry funding provided in the draft local government finance settlement published on 14 December 2017, however continued lobbying garnered cross party support in the Parliament and also received the support of the Rural Economy and Connectivity Committee of the Scottish Parliament. Their report published on 19 January 2018 contained the following statement:
- 9.5 "The Committee welcomes the Scottish Government's commitment to continuing dialogue with Orkney and Shetland Islands Councils in relation to the fair funding principle for internal ferries in Orkney and Shetland. It calls on the Scottish Government to treat this matter as a priority and to satisfactorily resolve it by the conclusion of the current consideration of the draft budget."
- 9.6 The Scottish Government reacted to the campaign for fairer funding and included £5,500,000 of funding in the draft budget for 2018 to 2019. It has been agreed that the award of fairer funding for internal ferry services through a Transport Scotland Grant be used to meet £2,158,000 service pressure items for Orkney Ferries with the balance used to fund the current level of ferry services and thereby offset the contribution from the Strategic Reserve Fund which would otherwise be required.
